J. Mark Ramseyer & Eric B. Rasmusen (ramseyer@law.harvard.edu & erasmuse@indiana.edu)

Suing over Ostracism in Japan: The Informational Logic

This file is for notes for giving a seminar. Maybe 10 minutes by Mark to set up the situation with cases and questions. Then 10 or 15 minutes by Eric on the model. Then 10 minutes by Mark with more cases and how they fit the model.

Eric lays out the model and then goes verbal and tells the story of what happens under the three regimes.
