hands as he takes over sole editorship of the JSS. In my view, the additional content that we collected this winter following Ewell's SMT plenary makes a great addition to an already remarkable publication. Later this week, Levi will take on some additional responsibilities, so I will be keeping track of these forms and publisher information. All three items should be fairly simple to return, so thank you in advance for your prompt attention to these items.

Cheers to getting this to press!

Sincerely,
